WHO WAS ANNA ELLA CARROLL?

Why did she as a slaveholder fight slavery?

Why did she challenge the encroachment of the church on the state?

As a politician did she counsel 5 presidents?

As a constitutional lawyer did she first define the powers of the presidency in war time?

As a military strategist did she devise the campaign that broke the back of the Rebellion?

As a political pamphleteer did she drive Breckenridge from the Senate and curb that implacable abolitionist, Charles Sumner?

Did Anna Ella Carroll make a real contribution to the Union cause or was she a phony?
